MariTech 2009

Vancouver Branch members Ross Somerville, Tom Ward and Jim Haswell attended MariTech 2009 in St John's Newfoundland. The event was well attended (114 attendees registered) and "hospitality was typical east coast with lots of fine dining and great entertainment ... you can never eat too many lobsters," reports Ross. "The rooms had fantastic views of the St John's and there's lots of activity in the marine business, from the offshore ships to fishing vessels."
